REQUEST FOR PROPOSAL ON HOSTEL MAINTENANCE CONTRACT

Fountain University, Osogbo, an Islamic faith-based Institution, is a fully residential university.

The University wishes to award the maintenance of its hostel facilities to interested contractors with relevant experience on a fixed annual contract.

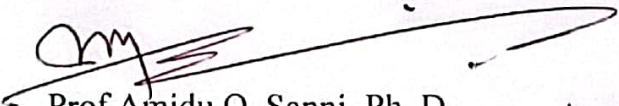

The responsibility of the contractors will revolve around provision and maintenance of services which include but may not be limited to:

1. Water storage and supply system
2. Back up electricity supply to power external lightings and common passages in the event of failure of public power supply
3. Plumbing fixtures, sewage management, gutters and drains
4. Lightings and other electrical fixtures
5. Doors, wardrobes, locks and window fixtures
6. Cleaning and waste disposal services

Interested contractors should indicate interest with a letter of Intent, giving details of company profile, competence, previous experience and financial capability.

Applicants are to address the letters of Intent with relevant supporting documents to the Vice-Chancellor, Fountain University, Osogbo and submitted online to hostels@fuou.edu.ng on or before 26th August 2022.

Only applicants who are pre-qualified on the basis of technical and other criteria would be shortlisted and invited for a comprehensive inspection of the hostels before submission of bids.
