We are pleased to announce that the University Senate has approved the commencement of the 2024/2025 Academic Session on Monday, 7th October 2024.

**Physical resumption** dates are scheduled as follows:

- (a) Returning Students: Sunday, 6th October 2024
- (b) Fresh Students: Sunday, 13th October 2024

In order to qualify for registration for the 2024/2025 academic session and secure admittance into the residence halls, students are required to have made the following payments:

- (i) a minimum of 25% of the approved school fees for their respective courses of study,
- (ii) the prescribed fee for their chosen accommodation.

Payment options can be in full or by instalments. For students opting for installment payment, the initial 25% payment is required before resumption to signify the commencement of the session. An additional 15% must be paid to meet the requirement for writing the First Semester Examination. Resumption for the Second Semester is contingent upon a 40% payment, while the remaining 20% must be settled before the Second Semester Examination.

The University Management extends its best wishes for a safe journey and eagerly anticipates the return of all students on campus.
