

FOUNTAIN UNIVERSITY, OSOGBO: A HUB OF ACADEMIC AND MORAL EXCELLENCE

Fountain University, located in Osogbo, Osun State, was established in 2007 by the Nasrul-Lahi-L-Fatih Society Worldwide (NASFAT). Its philosophy is grounded in a commitment to excellence, intellectual curiosity, and the pursuit of knowledge. Since its inception, Fountain University has been steadfast in its mission to nurture young minds, equipping them academically and morally within the Islamic framework. This holistic approach produces intellectuals and professionals who contribute significantly to societal development.

Leadership and Governance

Fountain University is guided by visionary leaders dedicated to its growth:

- Vice-Chancellor: Professor Olayinka Ramota Karim
- Registrar: Mr. Sheriff Adeyemi Adenekan
- Bursar: Mrs. Silifat Ali-Balogun
- Acting Librarian: Dr. Sirajudeen Femi Bakrin

The university's Governing Council, chaired by Dr. A.W.A. Ibraheem, provides strategic oversight, ensuring the institution upholds its values and achieves its goals.

Academic Structure and Facilities

The university's academic offerings are structured across five colleges and a School of Postgraduate Studies:

1. College of Arts and Education (COAED)
2. College of Basic Medical and Health Sciences (COBMEHS)
3. College of Law (COLAW)
4. College of Management and Social Sciences (COMAS)
5. College of Natural and Applied Sciences (CONAS)

Complementing Western education, the university integrates Islamic moral teachings through its Madrasah and School of Quranic Teaching.

Global Recognition and Strategic Partnerships

Fountain University's relentless pursuit of academic excellence has earned it significant accolades, including being ranked as the 18th best university in Nigeria by ScholarGPS.

The university recently gain strategic partnerships with some reputable international institutions, including:

- i. University of Cambridge (UK)
- ii. TrEND in Africa, UK
- iii. International Islamic University, Malaysia and
- iv. INTI International University (Malaysia)

The institution is home to world-class researchers, including one ranked among the top 2% globally. Its specialized centers foster cutting-edge research and innovation.

Student Life and Achievements

Fountain University's serene, state-of-the-art campuses host a vibrant student community of nearly 3,000 students from diverse ethnic and religious backgrounds. The students excel in academics, sports, and Quranic competitions, earning recognition as national and international trailblazers.

Community Impact and Contributions

Fountain University is deeply committed to community development and aligns with the progressive initiatives of **His Excellency (Dr) Senator Ademola Jackson Nurudeen Adeleke, Governor of Osun State**. Recent contributions include:

1. Borehole facility donation to the Oke Baale Police Station, Osogbo.
2. Free cervical screenings for over 200 women in five Osun State communities, alongside numerous other medical outreach programs.
3. Scholarships, with about 50% of recipients being Osun State students pursuing Arabic and Islamic Studies.
4. Open access to its Olympic-standard sporting facilities, including basketball and tennis courts and a football pitch, benefiting local clubs and communities.
5. Introduction of sack farming initiatives to enhance food security, equipping the community with sustainable agricultural techniques.

Fountain University is a beacon of character building, academic rigor, and moral excellence. Its unwavering dedication to nurturing future leaders, advancing knowledge, and fostering societal betterment cements its position as one of Nigeria's leading private institutions.

As Fountain University receives this award, it reaffirms its commitment to excellence, innovation, and service to humanity. Thank you for recognizing our efforts and inspiring us to greater heights.

Fountain Leads, Others Follow!
